### Notice

Please make sure all your children's belongings are labelled. Coats, hats, bags etc thank you

### POLITE NOTICE

When your child brings in toys from home to preschool please can you explain to them that when they do they will be expected to share them with the other children, also preschool can not be held responsible if these toys get lost or broken. Many thanks for your understanding

### Security

Your child's safety is our number one priority so staff who man the front doors should not be engaged in any conversations. They are there to ensure that only people we know are coming in to preschool. If you do need to speak to someone please speak to a supervisor, or your child's key person. Also just a reminder that if you are coming to the preschool out of preschool hours you will be asked your name at the door, please state your full name, your child's full name, you will then be asked your child's password.

### Change of Details

Please don't forget to let us know if you have any change of address, mobile phone, telephone numbers or your child's medical details. If you need to contact pre-school between 9.30 am 1pm please ring the preschool mobile number
